

THE DAVID V. AND NANCY A. HUHN SCHOLARSHIP

The David V. and Nancy A. Huhn Scholarship was established by David V. and Nancy A. Huhn in 2017 as a grant to The Rotary Club of Grand Rapids Charities Foundation, and to be awarded by the Foundation to an individual who meets specific criteria related to studying in the areas of technical aspects of a career, including mechanics, engineering, information technology, or other specific career-focused “hands-on” studies. Both David and Nancy Huhn have a keen interest in education, and especially in the value of technical, mechanical and engineering areas, which are believed to lead to specifically needed careers.

Students entering community college, accredited technical college, or college/university or already enrolled in any of the former in specific career areas identified above are encouraged to apply for the David V. and Nancy A. Huhn Scholarship through making an application to The Rotary Club of Grand Rapids Charities Foundation.

Applications will be due annually by May 1, and will be reviewed by a Scholarship Committee comprised of Rotary Club of Grand Rapids Members appointed by The Rotary Club of Grand Rapids Charities Foundation Board. The May 1 application date will allow for review, interview process and final determination of the scholarship recipient(s) by June 20, and the funding will be received for fall enrollment at the community college, accredited technical college, or college/university of the recipient. The funds will be paid to the community college, accredited technical college or college/university on behalf of the student tuition so a student number must be submitted by the successful grantee. The Huhn Scholarship for 2024-25 is in the amount of \$4,500

PERSONAL INFORMATION

First Name: _____ Last Name: _____

Date of Birth: _____ Phone #: _____

Current Address: _____

City: _____ State: _____ ZIP Code: _____
